

C O N F I D E N T I A L2nd October, 1959.COCOM Document No. 3700.7COORDINATING COMMITTEERECORD OF STATEMENT BY THE NETHERLANDS DELEGATEONTHE 1959 LIST REVIEW1st October 1959

Present: Belgium(Luxembourg), Canada, Denmark, France, Germany, Italy, Japan, Netherlands, United Kingdom, United States.

The Netherlands Delegate informed the Committee that his authorities had envisaged submitting some redefinition proposals for the forthcoming List Review, particularly with regard to the electronics category. It was, however, considered preferable to leave the initiative of introducing proposals to those Member Governments that had presented exceptions requests of great importance. For these reasons, the Netherlands Delegation would refrain from submitting any proposals at this time, but those submitted by other Member Countries would be studied with great care by the Netherlands authorities, for they considered the actual review to be of great importance. If necessary, the Netherlands Delegation might request the assistance of experts.
